“Where Potential Becomes Reality”
102 Broadway
Bucksport, Maine 04416

Dear Students and Parent(s)/Guardian(s):

We are looking forward to the start of school next week and seeing our students either in person or remotely. As you know we have put all students into a **PURPLE, GOLD or FULLY REMOTE** cohort. Prior to next week we wanted to send out a couple of reminders.

- The **GOLD** cohort will attend in person on Tuesday, September 8th. (Purple and Fully Remote cohorts will **NOT** attend remotely).
- The **FULLY REMOTE** will start attending remotely on Wednesday, September 9th.
- The **PURPLE** cohort will attend in person on Wednesday, September 9th. (The Gold cohort will **NOT** attend remotely.)
- Face coverings are required for all staff and students when they are in the building.
- Students can access their schedule on Infinite Campus. When arriving to the building they will go directly to their Period 1 class.
- Students who need to make schedule changes should email their school counselor.
- Laptops will be distributed to students on their first day of in person learning. Laptops for remote students are available in the main office.
- Students will be asked to log into our new Learning Management System called Brightspace. Their login username is their email address and the password is the same as what they use to sign into their Google accounts. You can access the login at rsu25.brightspace.com
- Our bell schedule is also attached to this email. Students learning remotely will login according to the times on this schedule.
- If students have a study hall they do **NOT** have to attend remotely.
- HCTC students will travel to Ellsworth on their in person days. As of right now they will attend remotely on Fridays. We are working on a way to have them attend HCTC on Fridays and will communicate that when it is available.

Thank you for all of your support and again we look forward to seeing all of our students next week. Have a great long weekend!

Sincerely,

Josh Tripp
Principal, Bucksport High School
